Monica and Althea,

Start is within a day or so of running out of money, so I need to add money as soon as possible. How much do you want to add? Note that the new procedure requires that I will need a signed 213RR before I can do the PR. Thanks!

Will, I've talked with our field team leader and we estimate \$15K-\$20K of additional effort remains to complete tasks received from OSC Bernier. This includes report preparation and data validation following laboratory analysis of collected samples.

Thanks  
David
